**Glenis Sanitally** lit a candle in honor of Shirul.

I remember after she came back from England we had become good friends and she would pick Michelle and i up in the afternoon to go to the sea wall, but there was always a certain tall and good looking guy not sitting too far away from us , that somehow landup sitting on our bench. I guess I was kind of a chaperone for her and Zammie. Of course no one in her family knew she was see someone.
