So sorry to hear about your mom. She was such a fixture in the hall on 3rd floor with her book in hand watching people walk by. Her eyes would light up when i told her i knew her daughter and a big smile could come on her face. I had to explain to her I knew you because I was always trying to catch up to you in a race! Christmas won't be the same without our "parent Perfect Caper earlybird dinner adventures. Prayers to you and Rob and family. Carol and Tom
