I served with Vicki on the Board of Directors of the Deep Creek Property Owners Association for many years. She was a great asset to our community. and she was always willing to go above and beyond. Deep Creek is a better place because of her. My wife and I also considered her a friend. She was one of the most caring people we knew. Her love of dogs was well known, and she mentored several of them. Her great sense of humor enlivened many of our Board meetings. We will miss her very much. Harvey and Jodi Goldstein
