You have a wonderful web site, and all your dogs are so very beautiful. I particularly enjoyed your article about Being an individual , our lovely girl, Penny is nine months old and so nervous of everything, people ask me if she was a rescue dog, despite the fact that we have spent a lot of time socialising her from 8 weeks old. It's hard when you know she is so great and other people see her as having problems . Your words have made me see Penny's issues in a completely different light, because it is just her nature', and we love her so dearly regardless. My husband and I are considering another puppy, but are thinking in the future when Penny is older, and despite the distance, would certainly love one of your puppies, if accepted. I love all things labrador, but your site and knowledge is a cut above. Thanks so much.I also read your tribute to your Jade, which made me shed yet more tears for our old girl who died last July, it was very moving.###imported-begin##Jacek###imported-end##
