Thank you Di for all your help and assitance over the years. How reenishfrg it is to know that there is someone out there who can be relied upon for honesty, integrity and expert knowledge in such a statically large breed. I still get numerous enquiries for puppies even tho'it is 3 years since my last litter and I always refer people to the Wylanbriar site because I know that with you they are in safe hands.I am looking forward to bringing my bitch to the very handsome Tom in a few weeks time and fingers crossed having a litter of the consistently quality pups that your studs have always thrown for me.Thank you again Di and keep up the good work.##imported-begin##Yulanda##imported-end##

I'm very sorry for the death that you've experienced in your family recently. There are some scriptures found in gods word, that have encouraged me in the past when it comes to losing one of our loved ones. John 11:25 says... "He that exercises faith in me, even though he dies, will come to life." I also agree with the bible when it says at Acts 24:15... That "there will be a resurrection, of both the righteous and unrighteous"! Revelation 21:4 states "Death will be no more." The former things have passed away. What a wonderful time to live when these scriptures will be fulfilled! My thoughts and prayers are with you at this difficult time.. please know that I'm thinking of you and your family during this hardship. Thank you for your time, Sincerely, Chastity Aniol
